User Guide - Learner

Following each shift, you will receive a message to your phone or your email inviting you to evaluate your shift.
Messages will come from website@edorientation.com or 844-929-2278

Answering questions is easy, just move the slider along the scale:

Availability
I am _____ aware of the location of my preceptor when I need to ask questions or get assistance with patient care.

Never (0% of the time)   Always (100% of the time)

You have the option to mark boxes showing what kind of patients you cared for during that shift.

The aim is to evaluate both your progress to becoming an independent ED Nurse and the effectiveness of your preceptors. Doing this daily creates trends that show progress and allows your orientation experience to be modified to help you achieve your goals.

After you submit your evaluation, you are re-directed to your Learner Page

User Guide – Competency

Completing required documentation for your orientation/role:

Access each item that needs to be documented for your orientation via: your To Do list (left) from your Learner or Preceptor Page or links from reminder emails (right):

1. Select one of items from the lists above
2. Fill in all the required fields (highlighted yellow)
3. Choose a Preceptor, Orientation Nurse or Leader who can verify your Competency.

Click "Save" to keep track of your progress. When all the yellow fields are completed, the "Save" button will change to "Save & Send to Verifier" When you *Send to Verifier*, the person you selected to verify this competency will receive an e-mail.

They will fill any remaining required fields (highlighted yellow) and click "Sign & Submit"

Once the item is signed by the verifier you will be notified in an e-mail that it is completed.

From your Transcript or your To Do list you can print a copy of all your completed items.
